6. Contractor's Performance:

- a. On Schedule and expected to remain so: Yes
- b. Within Obligated Funds and expected to remain so: Yes
- c. Satisfactory Technical Progress: Yes

7. Project Status:

The AR-6 receive cabinet was received by the contractor on 25 July 1962 and the work to convert it began. A cost estimate and technical proposal have also been requested from the contractor for the work necessary to connect the AR-6 and the AR-4B units together so that the high speed tape punch in the AR-4B can be used by both units. If this appears feasible then this work will
